Before Our Eyes

Our clothes taken before our eyes

Homes becoming empty

Our lives flashing before our eyes

Lives taken because of faith

Dreams shattered due to hate

Camps became crowded with fear

As big men came with their metal spears

For all the children that didn't grow

The nazi's hearts were cold as snow

Men and Women were sterilized

Which Hitler himself tried to justify

Who people tried to flee

Who have ended up beat

This was not a good time

With all the misery that came along

We should always remember

The terrible times during the

Holocaust
